

**BPS LONG DISTANCE
PIC CHANGE LETTER OF AGENCY (LOA)**

Account Name: _____

Telephone Number: _____

Address:

I hereby authorize and designate BPS Long Distance to act as my agent for the purpose of submission to my local telephone company of an order or orders to change my preferred provider from my current provider to BPS Long Distance for the telephone number indicated above. The change or changes I am authorizing BPS Long Distance to submit are for the service or services indicated by my signature below.

IntraLATA and InterLATA Long Distance

Missouri is divided into major long distance calling areas called LATA's (local access and transport areas). Calls to a place within the same LATA are called IntraLATA calls. Calls to a place outside of a LATA, including both Intrastate and Interstate calls, are called InterLATA calls. Additionally, if BPS Long Distance is designated as a customer's InterLATA carrier, BPS Long Distance will automatically handle direct dialed international calls except where the local telephone company may offer the capability to designate a separate international long distance company.

I understand that FCC rules require that I separately authorize preferred long distance companies for either InterLATA and IntraLATA services. If I sign only once, for either IntraLATA alone or InterLATA alone, I understand that only the single service will be affected by this letter of authorization. If I sign on both lines, I understand that both services will be affected by this letter of authorization. I also understand that each change, including separate changes for InterLATA and IntraLATA, may involve a charge from my local exchange carrier for executing the change.

Change my IntraLATA long distance carrier from my current long distance company to BPS Long Distance.
